

CAMPAIGNERS FLIGHT PATH CONFERENCE

Organised by the Aviation Communities Forum

Flight paths will be changed at airports across the country. There is a desire for people who are faced with flight path changes to come together to share experiences and to plan a way forward. The Aviation Communities Forum has therefore organised this conference.

The Campaigners Conference will be held on **Saturday 16th June** at Central Methodist Church, St Saviourgate, York YO1 8NQ. It is within walking distance of York Station: <http://www.centralmethodistyork.org.uk/introduction-to-central/where-we-are/>. We've chosen York in order to make it as accessible as possible for people from all parts of the country. The conference will be free.
